Dear Parents,

This letter is being sent to you, because the Deerfield Park District camps want to have access to your emails. We want to be able to share information with you as fast as possible without wasting time and paper. We would like to also encourage you to check out our website at: [www.deerfieldparkdistrict.org](http://www.deerfieldparkdistrict.org). Everything you need to know about camp and what your campers are going to be doing will be accessible on our website as well as emailed to you.

We want to keep you in the loop and up-to-date on all that is fresh and new at camp. This will allow you to see what is going on at camp and what your camper(s) are doing. It also might alleviate some questions you might have later down the road. Information such as the weekly schedule will be emailed to you and both you and your camper(s) will see the fun activities we have planned. Information on field trips, such as where we are going, and what your child needs to bring will be emailed to you, so you can prepare and provide whatever materials necessary. We also send out flyers such as special event days where your child(ren) might need to dress up or bring something special to camp. At the middle and end of the summer we send out camp evaluations that we use to better our performance and enhance your child's experience. All of this information needs to be readily available and fast, so please, take a moment and fill out your email address.
